# Hunter Trimble

## ABOUT

As an executive leader, I specialize in connecting strategic direction with creative execution to unlock growth, empower teams, and drive meaningful results. With deep experience in Program Management, Business Leadership, Concept Design, and Leadership Development, I bring a unique ability to build synergy across disciplines—delivering both operational excellence and imaginative vision.

My passion lies in developing people and ideas. I lead with clarity, inspire collaboration, and champion innovation, and champion innovation to elevate organizations and the individuals within them. Whether navigating complex projects or shaping culture, I remain committed to driving impact that endures.

## KEY ACHIEVEMENTS

- Led multi-year campus expansion initiatives that drove a 50% increase in annual revenue and expanded the church’s regional impact
- Designed and produced weekly large-scale gatherings for over 15 years, enhancing engagement and spiritual growth across multiple campuses
- Implemented streamlined digital systems for finance and operations, eliminating all short-term debt and increasing financial sustainability.
- Created and scaled a volunteer leadership development framework that was adopted by multiple churches to strengthen team capacity and engagement.

## EXPERIENCE

**Executive Director**  
2019 – Present

- Bent Tree Church**
- Lead cross-functional teams of staff, volunteers, and project leads to execute initiatives aligned with the church’s strategic vision and Executive Board directives.
  - Led the adoption of innovative technologies to streamline ministry operations, boost productivity, and enhance organizational effectiveness.
  - Designed and implemented a comprehensive Leadership Pipeline to develop staff and volunteer leaders through a dynamic growth process.
  - Foster strong communication among department heads and directors, ensuring timely delivery of initiatives and adherence to quality benchmarks.
  - Serve as Conference Director, producing and overseeing two major organization-wide conferences each year.

**Creative Arts Director**  
2010 – 2019

- Bent Tree Church**
- Directed creative teams in designing immersive worship environments and producing large-scale special events across multiple campuses.
  - Produced multimedia assets including video, audio, and graphics for digital and print distribution, expanding the church’s visual and online presence.
  - Developed web and social media strategies that significantly increased audience engagement and church visibility.
  - Crafted innovative event experiences and venue designs that enhanced engagement and storytelling impact.
  - Supervised volunteer production teams to deliver high-quality programming across diverse formats.
  - Played a pivotal role in launching new church campuses, supporting a multi-year expansion strategy.

**Guest Experience & Entertainment Cast Member**  
2005 – 2013

- The Walt Disney Company**
- Completed intensive training in the renowned “Disney Way,” demonstrating excellence across all aspects of guest experience and operational roles.
  - Performed in parades, stage shows, and themed entertainment throughout Walt Disney World Resort, contributing to iconic guest experiences.
  - Took on expanded responsibilities across multiple departments, including Food & Beverage and Operations, showing versatility and leadership potential.
  - Earned numerous “Guest Service Fanatic” recognitions from peers, leaders, and guests for consistently exceeding expectations in service and performance.
