# Hunter Trimble

## ABOUT

Creative leader and designer with 15+ years of experience in immersive storytelling, visual communication, brand identity, and environmental design across digital, multimedia, and experiential spaces. Skilled at transforming complex ideas into engaging experiences and clear visual narratives that connect with audiences.

Experienced in creative direction, experiential design, multimedia production, and cross-functional leadership, leading projects from concept through execution with strong story cohesion, audience focus, and brand consistency. Passionate about themed entertainment, immersive environments, and spatial storytelling.

## EXPERIENCE

### Executive & Creative Director

2010 - Present

#### Bent Tree Church

- Lead creative and operational direction for immersive worship gatherings, conferences, and community experiences, integrating storytelling, production, lighting, music, stage design, and visual communication.
- Direct multidisciplinary teams of staff, volunteers, creatives, and technical leads to execute audience-centered environments and high-impact experiences aligned with organizational vision.
- Develop themed environments, experiential concepts, branding systems, and multimedia content that strengthen emotional engagement, clarity of message, and community connection.
- Serve as Creative and Conference Director for large-scale annual events, overseeing concept development, production design, team leadership, and live execution from vision through delivery.

### Guest Experience & Entertainment Cast Member

2005 - 2013

#### The Walt Disney Company

- Delivered world-class guest experiences while supporting Disney's storytelling, entertainment, and brand standards across immersive environments.
- Trained in Disney's principles of guest experience, visual presentation, operational excellence, and environmental storytelling.
- Collaborated with entertainment and operations teams to maintain consistent show quality, and guest engagement.
- Consistently recognized for creativity, teamwork, professionalism, and outstanding guest service.

### Freelance Designer / Owner

1999 - Present

#### rhtdesigns.com

- Provide creative direction and design services in brand identity, visual communication, experiential design, and storytelling for a diverse range of clients.
- Design logos, brand systems, websites, and multimedia assets focused on strong visual clarity and audience engagement.
- Develop environmental graphics, signage systems, and spatial design concepts for interior and exterior environments.
- Collaborate directly with clients to transform ideas into strategic, visually compelling creative solutions.
